

“The team were very encouraging and supportive, taking care to ensure I got as much as I could from the project by inviting me to extra rehearsals and concerts, and introducing me to other workshop leaders from the orchestra.”

OUR PARTICIPANTS SAID

“Orchestras Live has enabled us to develop our partnerships and high-quality outreach work.”

OUR IMPACT

 **Diversifying the talent pipeline**

 **Sharing knowledge and expertise**

 **Advocating for change in the sector**

WORKFORCE DEVELOPMENT

“I’ve been to two of these Regenerate events now - both such a valuable hour - I’ve been to day long events that have covered less ground. Great pace, great range of contributors, really digestible.”

MAJOR INITIATIVES

Trainee Music Leader Scheme

Development programme supporting emerging music leaders from a diverse range of backgrounds, widening the pool of talent and retaining skills at a local level.

Regenerate event series

Sector development programme focused on bringing the wider music industry together to advocate and create change at the highest level.

Consultancy and Commissions

Providing specialist advice and guidance for orchestra and community partners, developing strategies to support their creative workforce.
